PROFILE

I am passionate about visual storytelling through game design, specializing in Unity, VR, and AR. With a background in 2D/3D design, programming, and visual effects, I create immersive digital experiences and consistently approach challenges with a drive for excellence and a strong willingness to learn and improve.

WORK EXPERIENCE

VDL Enabling Technologies Group
Warehouse Assistant

FEB 2025 - APR 2025

- As part of the **supervisory team** managing heavy product transfers and logistics, I developed strong attention to detail by verifying shipment accuracy to ensure proper inventory handling.

Digipho Entertainment Imaging
Photographer

SEP 2024 - OCT 2024

- At Mandai River Wonders, I developed my skills in identifying and approaching visitors, using persuasive communication to encourage photo participation and capturing **over 500** high-quality photographs of guests on average.

Cold Storage
Grocery Packer

SEP 2023 - OCT 2023

- I demonstrated strong attention to detail, efficiency, and customer service skills by accurately fulfilling **over 50** packing orders with a **95% accuracy rate** in a day and assisting in-store customers with product inquiries or concerns.

VOLUNTEERING

Pathlight Secondary School

- I provided compassionate, one-on-one support to children on the autism spectrum in educational and recreational settings, such as educating them on simple programming (Scratch)
- I assisted with hands-on activities designed to promote problem solving, creativity, and digital literacy with Pathlight students
