PROFILE

I am passionate about visual storytelling through game design, specializing in Unity, VR, and AR. With a background in 2D/3D design, programming, and visual effects, I create immersive digital experiences and consistently approach challenges with dedication and a drive for excellence.

WORK EXPERIENCE

VDL Enabling Technologies Group

FEB 2025 - APR 2025

Warehouse Assistant

- I served as a member of the supervisory team **overseeing the transfer and logistics** of products from an external location.
- I developed an attention to detail by verifying the accuracy of shipments prior to unpacking to ensure correct inventory handling.

Mandai River Wonders

SEP 2024 - OCT 2024

Photographer

- I have consistently captured **over 500+** high-quality photographs of guests during peak periods such as weekends
- I gained experience in identifying and approaching willing zoo guests, effectively using persuasive communication to encourage photo participation and enhance the visitor experience.

Cold Storage

SEP 2023 - OCT 2024

Grocery Packer

- I have successfully fulfilled **over 50** packing orders with an accuracy rate **exceeding 95%** within a day, demonstrating attention to detail and efficiency in order processing.
- I learnt strong customer service skills by assisting in-store customers with locating products and professionally addressing any misunderstandings or dissatisfaction
